WELCOME TO
STERNEWIRTH AT HOTEL EMMA

Housed within the Pearl Brewery's original 1894
 Brewhouse, Sternewirth carries forward the
 tradition of the "Sternewirth Privilege," which allowed
 brewery staff to indulge in beer during the workday.

Today, that tradition takes shape in this
 curated selection of shots. Order one to
 begin, savor it slowly, and see where the
 menu leads you next.

EMMA KOEHLER

THE WOMAN, THE MYTH, THE LEGEND

Hotel Emma owes its name to the great Emma Koehler, who — after the death of her husband, Pearl President Otto Koehler — led the Brewery for nearly three decades, even through Prohibition. In this chapter, she's joined by other remarkable women who inspired our cocktails with their own stories of strength and vision.

Our signature drink, The Three Emmas, nods to one of San Antonio's most infamous tales: Otto's entanglement with three women of the same name that culminated in scandal.

As the saying goes: "One is great. Two are sinful.

Three will kill you."

**THE HOUSE ON ASHBY PLACE**

Still standing today less than two miles from Hotel Emma, Otto and Emma Koehler's stately residence was designed as both a home for gathering and a vantage point overlooking their Brewery.

San Antonio architect Carl von Seutter considered every detail in the Koehler House, from its grand entertaining spaces to its custom one-lane bowling alley. These cocktails reflect that spirit of hospitality, and are meant to be enjoyed in good company, one round at a time.

WILD & NATIVE

Across the Hill Country, life moves with the seasons... wild herbs sprout along the riverbanks, fruits ripen in the Texas heat, and native species fall into rhythm with the land.

This collection of cocktails is shaped by that living landscape, with recipes built around the local ingredients that define the region. Bright, expressive, and slightly untamed, each one captures an authentic sense of place.

PROST AUF
ALKOHOLFREI!

Our Alkoholfrei (German for “non-alcoholic”) menu is a celebration of creativity without compromise. Crafted with the same care and balance as their spirited counterparts, these zero-proof cocktails foster inclusivity at Emma’s table.

They also pay homage to Emma Koehler’s foresight during Prohibition, when she transformed the Brewery’s operations to produce bottled sodas, ice, and ice cream, and offer services like dry cleaning and sign making. Her inventive spirit lives on in the many ways we create, adapt, and inspire each day.
